## Letters To Editor

Letters to the Editor are encouraged by the Daily Universe and will be printed whenever possible. They should not exceed 200 words.

Letters must be typewritten, addressed to Letters to the Editor, and include a student number, address and telephone number. Unsigned letters and unsigned letters will receive no consideration.

No postscript will be shown in the printing of letters. All enclosures should be typed and should be limited to one page.

The editor reserves the right to reject or edit any letter because of content or character.

## Not Required

During the Senate meeting of Dec. 7 there was considerable debate concerning compulsory military training for students driving on campus. We feel that such compulsion is illegal because it would supersede existant state law.

Utah does not require it; why then should BYU? It is mandatory for students & license drivers are incapable of taking care of this matter for themselves.

All students who agree with us should come to the Senate meeting in room 357 Y Center next Monday at 6 p.m.

## Creed, Code, Cult

There are three essentials in nations: we are creed, code and cult. We are here to defend our creed, to war it to shreds. The Communists have done this many times and we have laughed at their derivative remarks. They have even blasphemed against us and written of our backs like water in shower.

The same could be said of our code, but not one American, let alone a whole basketball team, not appear for the National Anthem and salute the flag; why this again?

We do not stand for this, implies a letter to the Editor, they must be chastised for their "unpatriotic" act. We cannot, we will not.

# Engineering Applications Available

Application deadline for the national engineering aptitude tests is Tuesday, Dec. 15. The tests will be given Saturday, Jan. 18, at 9 a.m. in 25 Knight Bldg.

The tests are conducted by the Junior Engineering Technical Society (JETS), a non-profit educational organization, and are open to students from the ninth through 12th grades.

BYU has been designated the testing area for schools throughout Central and Southern Utah. Professor A. Norton Chaston of the BYU Electrical Engineering Dept., who is coordinator, said that test results will help evaluate scholastic strengths and weaknesses among a variety of aptitudes. They are not designed to measure achievement or what the student has already learned.

Interested students should mail a \$2.50 application fee to Professor Chaston, 175 E.L.B. BYU and to the Junior Engineering Technical Society, University Engineering Center, 200 E. Fort St., New York, 17. N.Y. Applications must be mailed no later than Dec. 15.

Students and faculty are urged to anticipate their needs by picking up desired materials for use on another level before 5 Friday evening.

Normal hours will be resumed on Saturday.

BYU LIBRARIES

# Misfire Delays Launch Of Two-Man Spacecraft

Cape Kennedy, Fla., (AP) — Ape second engine misfired on Titan 2 rocket Wednesday spilling the final unmaned acting of the Gemini two-man spacecraft.

**PACE OFFICIALS**, longed after the frustrating dismount, said it would be at a next week before the flight could be rescheduled.

Then the countdown reached to the two booster engines and a huge flame shot from the exhaust.

Instead of blasting off the pad, powerful engines shut down after a few seconds of redhot brown smoke swirled around the silvery bat, which was still hooked firmly to its launching pad.

An automatic malfunction system detected a severe movement one of the engine nozzles and an electronic signal that shut the fuel supply to the command system. The engines died.

**PROJECT OFFICERS** said if astronauts had been aboard the spacecraft they would have been in danger.

The Titan 2 was to boost the 6-pound capsule on a fiery descent to a target in which craft was to land an altitude of 100 miles and plunge back through the atmosphere to a parabolic landing in the Atlantic.

## Judge Halts December 15 Rail Strike

CHICAGO, (AP) — A Federal panel halted temporarily Wednesday's plan of three ship unions to walk off the nation's railroads today with a strike for higher rates.

**THE STRIKE** called for 6 A.M. Tuesday, Dec. 15. It had crippled the rail system at the start of pre-Christmas travel and ping-pong games.

Judge Joseph Sam Perry of District Court directed management counsel to draft an order lifting the walkout for 10 days to present it in court Monday. Judge said he intended to do it at that time. It would be effective for 10 days from the signed order.

It ALSO SET for Monday a hearing on a preliminary injunction sought by management. A spokesman said a walkout had tie up 187 railroads and rail and switching companies lining nearly all the nation's traffic.

If there are no hitches when the launching does occur, Astronauts Virgil I. Grissom and John W. Young are to ride the next Gemini capsule into orbit, hopefully within three months.

**GRISOM, YOUNG** and 10 other Astronauts witnessed Wednesday's misfire from positions in the mission control center and the blockhouse.

Meanwhile, the Air Force prepared for another attempt Thursday to launch a Titan 3 military space rocket on an orbital test flight. The firing, scheduled for 10:30 A.M. (EST), will place the third stage into orbit as a flying launch platform for a dummy communications satellite.

Concerning possible danger to the Astronauts, Weidensel says Christopher Kraft, flight operations director, said:

"This is the reason we have a malfunction detection system built in the rocket. We would have just shut off the engines the same as was done and placed the launch tower back up and taken the Astronauts down by elevator."

## 19 Accused Killers Face Hearing In Mississippi

MERIDIAN, Miss., (AP) — Secretive federal lawyers polished plans Wednesday for a preliminary hearing for 19 men in Mississippi's case of the three slain civil rights workers.

**THE 19 STUP** before U.S. Commissioner Esther Carter here Thursday. The federal government must show "probable cause" for further legal action on the charged filed in what the FBI calls a Ku Klux Klan plot.

Defendants include the top lawmen of adjoining Neshoba county Sheriff Lawrence A. Rainey, 41, of Philadelphia, Miss., and deputy Cedric Price, 26.

**THE STATE** has 19 months of the evidence conferred with defense lawyers during the day. And two citizens groups—one here, another in Philadelphia—opened drives for donations to a legal defense fund.

Of the 21 men arrested in the case, 19 are charged with conspiracy to interfere with the federal rights of the slain men. The others were charged as accessories after the fact.

Any murder charges in the case must come from the state, which had made no move.

## "Everything In Sports"

## Top Bowlers To Compete

The "bowler of the month" program has scheduled a final four game play-off to determine the top BYU man and woman bowler, according to Shafter Bowls games director.

The series will be held Thursday, December 10 at 7 p.m. in the Yesterian Annex according to Brent Setts, bowling chairman of the games committee.

**REPRESENTING THE MEN** will be Tom Hartington, Dave Vaughn, Ron Holman, Blake Narper, Bill Hatch, Doyle Stroup, Paul Lyman, Gale Ward, Paul Griffin and David Wilson.

The women competing will be Sharon Olsen, Lucille Brown, Deana Martineau, Darlene Zak, Kathy Judson, Annette Buncy, and Marcus Ellis.

The "Bowler of the Month" for both men and women will be determined by the high game in this four game match. That will conclude the month's competition and trophies will be presented to the winners.

**CANDIDATES FOR THE "Bowler of the Month"** were selected by individuals bowling high games registering these scores at the games desk.

## Christmas Star To Be Topic

### At Planetarium

"The Christmas Star" will be the lecture topic for the planetarium public showing Thursday, at 7:30 and 8:30 p.m. in the Summerhays Planetarium in the University Center.

Students and faculty will be admitted for ten cents each upon presentation of an activity card. Professional admission will be 25 cents.

Special tours or private showings may be arranged at other times. For school groups, Scout troops, etc., by contacting Dr. Hansen or Dr. Harold McNamara of the BYU Physics Dept.

## Questions To Be Asked Of ASBYU Executives

Students now have the opportunity to know their student-body leaders better by listening to them each Thursday evening in a radio interview, announced Rod Tolman, ASBYU Radio Press Secretary.

**EVERY THURSDAY** at 9:05 p.m. on Station KIXX (1400 kc) a student interviewer will be interviewing and answering student's said.

This Thursday Brent Tursley, vice president of student relations, will be interviewed, he said.

Students may phone questions to be asked the Vice President to the station during broadcast.

"We feel that this program has been very successful in past two weeks during which it has been operating," he said.

**STUDENT OFFICERS** handling interviews to various broadcasts are Bruce Son, ASBYU president, Dave Boyack, social vice president.

## Spirit of Giving and Helping Not to End With Christmas

Spurts of giving and helping others will not end with Christmas vacation according to Jim Tingey, general chairman of his year's spring Y-Day activities. Tingey has selected his committee for the annual day of bus and city service and has a meeting jointly with civic university leaders to insure successfully coordinated Y-Day.

**AIMED TO HEAD** committees Jan Thurston, afternoon activities; Ernest Bramwell, pro-Dave Mickel, pro-Y-Day; Maureen G. Young, publicity; Vicki Dugan, morning session; Genie Pieper, evenings; Rhea Mehan, food; Brent Boehme, business manager.

Committee secretaries are Ellen Hales and Carol Gurney.

Sign-ups are being taken for the committees, and may be either by application, 4th

floor of the Y Center or by personally contacting committee chairmen.

A thorough break-down of previous Y-Day activities is being run through to insure a running event of its kind. Suggestions may be made to committee chairman, and Tingey urges all interested students to participate on committees.

## Hobby Shop Open Longer Next Week

The BYU Hobby Shop, 122 Y Center, will be open for student use from noon to 10 p.m. next Monday to Friday, according to John Hall, in charge of operations.

STUDENTS ARE encouraged to use the hobby shop to make their Christmas presents that "personal touch". There is a wide variety of machinery available for student use at the shop.

## Winter Brings Snow, Lots of Work

With the coming of snow, where do all the lawn mowers go?

Before the arrival of the winter season the Department of Physical Plant lawn mowing crew keeps busy cutting some 120-125 acres of campus lawns.

**IN LATE FALL** when the mowing stops the taking care of

leaves begins. While not so evident, that is also a big job as the campus comprises more than 500 acres.

After the lawn mowing is completed, the mowing machines have to be sharpened and overhauled for the next season's work. The grounds section of the De-

partment of Physical Plant has its own equipment and sharpening devices for mowing machine maintenance.

**SOME OF THE** larger mowers will cut a strip 12 feet wide at 8-10 miles per hour stated Wendy Jarvis, assistant foreman in charge of grounds.

Say With a Budget...

## Give Yourself a Treat With Festive Fashions

Christmas less than weeks away you can feel Christmas spirit slowly rise from its year-hibernation.

Of a sudden, the street decorations begin to multiply, and you find yourself singing Christmas carols while making shopping lists, dreaming of the perfect outfit.

You begin to wonder, too, just to re-do your last year's robe with a new Christmas robe. You just have to look at this year, just for fun.

**VE YOUR DONE** something terrific! Long hair high on top of your head some extra curly or long hangs, or perhaps a robe — completely long and full.

Your hair is short, have it dined, or set in a new accent your new "do" with a wreath of holly, a bow, a dazzling jewel clip sheer net cap.

Wrinkle like a Christmas star leave few dots for your nose can be large, gangly, or big in fashion news, festive necklace ideas; b of Christmas tinsel, a lace of bright holly, some fair stonies or garlands strands of matching oring beads. Bangles by the z for your wrist and high our arm.

**ESSES IN CHRISTMAS** colors are clear and bright, skirts create a look of festivity, and stockings are put your accents on the series. If your dress is a creation piece all its own, it up.

### Stirring 'Robe' Now Showing

Showing at University Cinema this week will be "The Robe," starring Richard Burton, Jean Simmons, Victor Mature, and Lloyd Raedeke, from the novel by Lloyd C. Douglas.

It follows the career of a drunken and dissolute Roman tribune, Marcellus, assigned the duty of executing three criminals in the province of Judea.

His Greek slave, Demetrius, devoutly moved by the preachings of one of the three, "a fanatical troublemaker from Galilee," takes him to Golgotha, where he is crucified and disappears after Marcellus goes insane in the sudden storm at the crucifixion.

## Snow Party Saturday

An international student snow party with a Christmas flavor is planned for Saturday December 12. Cars will leave the Y Center parking lot at 10 a.m. Saturday. All participants having cars who would like to go are asked to call Diana at 374-8421 or Sam 374-6590.

**EACH PERSON** coming is asked to bring a Christmas gift weighing between 30 and 75 cents. It can be for either a boy or a girl.

It has been decided not to sell tickets but just to meet at the Y Center at 10 Saturday.

## Explorers' Adventure In Mexican Canyons

Films of the John L. Cross exploration of the Barranca del Cobre, "Canyon of Copper" in Mexico, will be shown by the Uruguayan Club Sunday at 8:30 p.m. at 115 JJK.

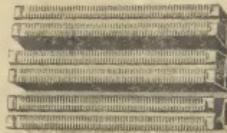

**THE PURPOSE** of the exploration was threefold, to conquer the river Urubue by boat, study the "Stone Age" Tarahumara Indians and bring out the first pictures and information concerning this fabulous canyon.

Two tries were necessary because this great canyon was finally conquered and at the point of termination, the canyon reported to be approximately 7000 feet deep.

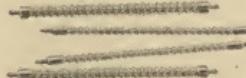

The Tarahumara Indians inhabit the area, live in caves and in rock houses similar to the prehistoric dwellings along the Colorado River drainage system of the Southwestern United States.

TICKETS ARE available at Fredy Nieto for 75 cents.

## New Chairman For 'Affairs'; Lists Program

Lester Bartholomew, junior political science major, is new chairman of the World Affairs Committee, announces Bruce Olsen, ASBYU President.

Chairman Bartholomew replaces Bill Evenson who plans to be married Dec. 21.

"THE PURPOSE OF WAC is to increase student interest in aspects of world affairs," chairman Bartholomew said.

Future plans include corresponding with Lester Pearson, Prime Minister of Canada, to arrange a visit to campus next year; Dr. S. M. Monti, Consul General of India, will be on campus the first week in January to address the students.

SEVEN STUDENTS will represent the school at the Association of International Conference in Puerto Rico Dec. 18-20.

One of the most important of the Committee's programs sponsoring the Model United Nations delegation, BYU's delegation this year has the "top honor" of being selected to represent the USSR, said Olsen.

**REASON FOR THE choice is believed to be the "excellent showing" BYU made at previous sessions.**

March plans include a mock UN session, a Model UN speaker, April activities include a Spotlight On Austria Week based on BYU's Salzburg Semester.

## Zoology Gets Mexican Collection; Cross Gives Reptiles, Amphibians

A collection of reptiles and amphibians taken in southwestern Chihuahua, Mexico, has been donated to the BYU Zoology Dept. by the Explorer's Cross Club.

The collection includes snakes, lizards, frogs, toads and salamanders.

The collecting took a month and was done along the San Miguel River. This area is 350 miles south of the Mexican border in the Sierra Madre Occidental mountains.

The state of Chihuahua is similar to Utah in that there are deserts, high mountains, and a few large rivers, but Chihuahua has many more, smaller rivers.

Chihuahua has heavy summer rains and a subtropical climate for part of the year.

MUCH MORE exploration needs to be done in the area, according to Dr. Wilmer W. Tanner, of the zoology Dept. who explored the area in 1958 and 1960.

Five species found are new to the state of Chihuahua. Other species are now represented by additional specimens, for which collections have been extended. This makes possible better understanding of the cold-blooded vertebrates of the area.

THE CROSS EXPEDITION is one of the few ever made into the area. Since the terrain is rough, the men had to pack their supplies over their backs. They had never been done there.

The nine-man party drove to the city of Chihuahua by car, then entrained to Creel. From

Creel, trucks and the Indian portage bearers transported the valuable equipment to the San Miguel River. The 20 miles of travel on this river was highlighted by frequent collecting.

WHEN THE GROUP found a specimen it was caught by hand or shot by spear, 22 gauge or "dustshot," which kills but does not mutilate. The specimens were then placed in plastic bottles filled with a preservative formaldehyde or alcohol solution.

At the end of the river travel, the equipment was carried out of the deep river gorge by mules. Then the travel methods were reversed.

The Cross party has been quite active in the past. They explored the Amazon River basin last year. In May, the group plans a 25-mile one-month trip from the headwaters of the Amazon River.

## Dr. Nephi Kezey Will Give Speech For YAF Meeting

Dr. Nephi Kezey will speak on "Our Republic With a Right God" at the Young Americans for Freedom meeting Tuesday at 8 p.m. in 172 Knight Hall according to YAF members.

DR. KEZERIAN, a 15-year-old of Provo, is a sophomore in orthopedic surgery from Hopkins.

His lecture will include the spiritual foundations of the public, said Mr. Peay, who added, "We'll identify other things."

Young University rat-prising tenth in Sports magazine's pre-season basketball forecast which hit the newsstands today.

TESS students could be finding around the newsstands the Y and Cannon Center to read the national given to the Cougars. Illustrated sales surpassed our sales for a single BYU.

ditional magazine, a favorite sports fans, rated 1st, Michigan, and UCLA as the nation's best. Notre Dame, Minnesota, and Young completed the

this group. BYU will compete with both Seattle and Wichita during the regular schedule.

In the latest Sports Illustrated sent writers and photographers to Provo to scout the Cougars for possible recognition in the preview issue. No one guessed BYU would be ranked this high so early in the campaign.

THE MAGAZINE also featured pictures of All-American candidate John Fairchild leaping high into the air for a soft hook shot. A lengthy article concerning the Cougar's prospects followed.

Fairchild was described as 6' feet 8", a senior, skinny at times, but darn tall and handsome. Unlike most big men, he is an extremely accurate shooter from the outside."

This article was the largest buildup ever given to a Cougar

REID n' EAKINS . . .

Standouts  
Mutt n' Jeff

by Bruce Van Orden  
University Sportswriter

Jim Eakins, 6-10 center, and Reid Fairchild, 6-8, are the dual choices for the first weekly honor of Freshman standout.

BOTH HAD outstanding weekends playing for the Kittens, but at entirely different roles. Eakins, however, has expanded strength on the boards and in the scoring column. Reid showed his magnificent ability as playmaker, as well as shaking up opposing defenses with his pot-shots from 20 feet down.

It is always a difficult task to choose between the relative values of these important roles — thus the choosing of dual players of the week from the "Mutt and Jeff" of the squad.

Jim Eakins comes from Sacramento, Calif., where he established an enviable record in high school sports. Eakins attended Encina High School and recorded a 22.2 scoring average in his senior year.

He not only was chosen for All-Conference, All-City, All-State honors for his basketball skills, but also received All-America high school rating from numerous publications. Eakins also starred as a left end football player, a 6-5 high jumper, and a cross country runner.

EAKINS rang up totals of 18 and 22 points in the intrasquad and Snow games respectively. In addition, he used his height well by snaring 14 rebounds against Snow.

Roger Reid, a native Utah, attended Springville High School where he averaged 20 points per game for a strong Springville club.

REID was chosen in the second-string All-State for Utah and for the All-Region 5 team in last year's hokey season. Roger has participated with football, track and baseball. He gained the All-State shortstop position in the diamond sport.

Reid collected 16 points against Snow Junior College. Ten of the points came in the Kitten's hot second half.

# Denver Blasts Cougars; Puckmen Take Gas, 12-2

Don Cameron and Wayne Smith, two Pioneers who didn't see much action Monday night, turned the hot stick an easy 4-2. Denver University got an easy 12-2 win over the Cougar Hockey Club.

IT WAS MUCH the same story as the first game: a close contest in the first two periods but then the Pioneers latched on to a meteor in the final while the Cougars stood helpless.

Bob Peers got DU on the board first with a goal at 7:24 of the

first period. Leigh Bannister came right back for the Cougars with a goal at 10:15. Both teams traded goals until 13:25 when the Cougars seemed to knot the score. Two quick goals by Cameron and Smith vaulted Denver ahead and the Cougars last goal came with 13:25 of the initial period as Leon Garinger screened a slapshot from about 20 feet out.

**FROM THEN ON** it was all Denver. While giving Cougar goalie Jack Shoveller 16 saves, the Pioneers scored 10 more. Peers kept BYU out of reach, Smith added his second and third goals in the final period as he rocketed one in from 60 feet and made his last on a fine set shot.

The Pioneers scored three goals in three minutes in that last disastrous period. DU goalie Buddy Elton stopped 21 shots while Shoveller saved 25.

BYU's Jim McLelland (6, white) battles Denver's Pete Badowsky, (6, dark) and Andy Herebut for puck control.

## Women In Sports . . . Volleyballers Finish Play In Coed Sports

by Gail Gullekson  
University Sports writer

Two leagues finished intramural volleyball action in women's coed competition. The Finals began this week in all leagues.

**THE INDEPENDENTS** League saw the Hawaiians emerge as champions of the newly formed league. The team won all their games in the two-month schedule but was closely followed by the rival Sportswomen whose only loss came at the hands of the Hawaiians.

A reminder has been issued to all women involved in Stake, Housing, and Independent intramural teams of the Basketball Clinic Saturday in the Women's Gym.

Qualified persons will explain new rules changes, and demonstrate skills. Practice time will also be available to teams. Stake teams will meet 9 a.m. until noon while the Housing and Independents begin at 12:30 p.m. with last Housing and Independent teams.

Teams interested in basketball and bowling may sign up at the Women's Gym prior to Monday.

The other league to finish off their schedule was Housing. Winners in various divisions were Gates, E. Edwards, and Moyer. These teams will play off for the Housing Supremacy trophy. Sports managers will inform teams of playoff dates.

## Miss America steps out on campus in the high-stepping Oldsmobile 442

If you can tear your eyes off pretty Vonda Kay Van Dyke for a moment, we'd like to tell you about the car: Oldsmobile's new 4-4-2. Earns its name from a 400-cu.-in., 345-bhp V-8 . . . 4-barrel carb . . . and twin pipes. Red-line tires, heavy-duty suspension, three transmission availabilities liven up the package—no matter which F-85 V-8 coupe or convertible you pick for your 4-4-2 action! But the real clincher is price: **4-4-2 prices start lower than any other high-performance car in America designed for everyday driving!** Vonda, by the way, is not included. But that's no problem for a tiger-like you!

Watch for the 4-4-2 . . . coming to your Oldsmobile Quality Dealer's soon!

In 39 non-conference games WAC and Athletics Conference football teams won 6, lost 6, and tied four during the 1964 season.

**INCLUDED** in the non-conference schedule were five games with Pacific Coast (AAUW) opponents, five with Big 8 teams, four with Big Sky rivals and one with the Missouri Valley Conference team. The other 21 games were with schools presently without a conference affiliation.

Most impressive WAC victories were Wyoming's 17-14 triumph over Kansas and Utah's 14-0 upset of California. Both Arizona and Wyoming trounced Washington State and New Mexico and Arizona State each bagged Kansas State.

## Special Film Scheduled For Surfing Enthusiasts

by Warren Bastrup  
Universe Sportswriter

At the Provo High School Auditorium Saturday night the surfing film, "Water-Logged", will be shown.

**BRUCE BROWN**, the famous surf photographer and world traveler will present his new full color release of the best surfing in the world.

Brown has wide acclaim as a surfing photographer. He has produced and photographed numerous surfing films, including "Surf Crazy," "Barefoot Adventure," "Surfing Hollow Days," and "Slippery When Wet."

"WATER-LOGGED" will feature the wildest surf and most daring rides of his previous four productions.

Saturday, the surf viewers will travel first to the unspoiling island of Hawaii where spectacular waves, over three stories high, will be challenged by the finest surfers in the world.

**ALMOST 100,000** miles are covered on the screen as the boys on boards circle the globe.

They go from Hawaii to Australia and then from the sunny California surfing grounds they

invade the Old Mexico coastline and Florida's sandy beaches.

"WATER-LOGGED" is packed with splash-filled escapades and humorous misadventures which exemplify the surfing way of life.

All the wild fun and adventure of surfing and travel has been presented on the screen by Bruce Brown. Sunday, will certainly add up to a night of enjoyable entertainment featuring the finest surfers in action riding the world wide waves.

The EXPERIENCED California beachboys may pick up a few extra pointers on the sport. "Land-lubbers" can learn what riding the board is all about.

Tickets may be purchased at Men's Store, Provo Sporting Goods or 373-5902 between 3 p.m. and 6 p.m. The price is \$1.25 per person or \$2.00 per couple.
